

In Touch With Your Lifestyle

TouchCenter Graphic Keypad Family

Customizable for Every Lifestyle, Budget and Décor

Your One-Touch Security Solution

First Alert Professional's state-of-the-art TouchCenter Keypads make security system operation simpler than ever—with graphics and menu-driven prompts guiding you every step of the way. There's a touchscreen to suit every lifestyle, budget and décor—including a choice of stylish silver, black or white models. You can display system status in a choice of three languages or even customize it with a family photo. No other keypad can touch it!

Sleek, Stylish Design

A choice of three cutting-edge designs match every décor or room.

Black looks great in living rooms, near flat screen TVs and entertainment centers

Silver is ideal for kitchens with stainless steel appliances and other spaces with contemporary flair

White is a popular, classic choice that blends seamlessly with any décor

Choice of Three Languages

Our language option enables the keypad to display system status in a choice of English, Spanish or French Canadian. This is great for bilingual households or where non-English speaking guests or workers may be using the system.

Customize it!

TouchCenter allows you to customize the keypad homescreen with a family picture or name to make it feel more personalized.

Home Control

TouchCenter provides centralized fingertip control for lighting, appliances, garage doors and more.*

Event Log

View when the system was used and who used it with a simple press on the touchscreen.

Convenience, Comfort and Control

For the ultimate in convenience, comfort and control, count on First Alert Professional's TouchCenter.
